Dear Families,

Welcome to the 2021-2022 school year, I am personally thrilled to be back and extra excited to be teaching Third Grade this year. We will have some other Cassell teachers helping this year, Mrs. McShane will be working with us during Reading, and Mrs. Walsh will be working with us in Math. Mrs. Nolan is our classroom supervisor for lunch and recess.

As we start this school year, please feel free to contact me anytime by email([mbharnedy@cps.edu](mailto:mbharnedy@cps.edu)), phone(773)535-2640, or using the Remind app([www.remind.com/join/harnedy3](http://www.remind.com/join/harnedy3)). I also encourage you to join class dojo so you can track your child's behavior throughout the school week.(<https://www.classdojo.com/invite/?c=CTFY3H9>)

In Math we will be using GoMath, three acts, and daily math talks for collaborative and independent learning. In Science, we will be following the standards that correlate to Mystery Science. Social Studies we will use My World Interactive textbook and group projects. Social/Emotional Learning will include guided meditation, go noodle, simple yoga, and much more!
