Dear Cassell Parents,

Due to local concerns after the events of the past weekend, students will line up inside for morning entry as well as have indoor recess this week. There are additional notable concerns with tomorrow's election day since Cassell is a polling location. Requests have been made to CPS Department of Safety and Security with the support of Alderman O'Shea to have additional security present during school hours. In addition, we have been informed we will have additional policing of the area by the 22nd District.
