## Get Behind the Vest Campaign

Thank you to everyone who participated in the "Get Behind the Vest" Fundraiser. Cassell students raised \$609 for the cause. The Student Council Treasurer, Jenna May, presented the donation to our Alderman,

## Student Cell Phones @ School

At Cassell School, we understand the parent desire for children to have their cell phones with them at school to make communication after school easy and for safety reasons, however student use of cell phones at school is prohibited. In the junior high, students have been granted the liberty to bring their phones on campus but to turn them in at the beginning of the day. However, phones are not to be on or used when entering the school property. We have had several recent cases of students taking other's pictures, posting on social media and/or using their phones during the school day. If students do not abide by the rules, then beginning next school year, we will have to return to students not being allowed to bring cell phones on campus. Please remind your child(ren) for the remainder of this school year that their phone is to be off and not used when on school property or in the school building. Students who do not follow the school policy will have their phone confiscated for their parents to pick up and consequences as determined by the Student Code of Conduct if used improperly. Thank you.
