## Early Dismissals Update

CPS policy states only those individuals indicated on a student's emergency form may pick a child up from school. It is not acceptable for a parent to call school and give permission to someone not indicated on the form. If you believe a family member or friend may need to be added, please stop in the main office to update or add to your child's form.

Also, please send a letter to school in regards to why the student had an early dismissal. Only student illness, doctor's appointments or specific family emergencies are given excused status. Please specify in the note sent to school when your child returns so the attendance clerk can update the early dismissal accordingly.
