

Volunteers Needed

Friends of Cassell Foundation is in the process of being organized to operate exclusively for charitable and educational purposes, including but not limited to raising money for Cassell Elementary School through community and business support. Friends of Cassell will be considered a nonprofit organization with its main mission to help alleviate the financial burden of the school due to the current economical educational crisis. The foundation plans on accomplishing their mission through fundraising, strengthening community business and parent involvement.

At this time we are looking to form a board for the Friends of Cassell Foundation. If you are dedicated and want to help strengthen Cassell’s learning environment, then this is a great opportunity for you. Please complete the form below and return it to school by **March 19, 2018**.
