

Ms. Troglia – Room 102

Dear Parents and Guardians,

Welcome to the start of a brand new school year! I am so excited to begin the 2025-2026 school year with your child. This year, I will have a homeroom of students with whom I will work closely on **ELA, Writing, Math, Science, and Social Studies throughout the day. In addition, I will work with a variety of other students across K-2 for **Reading, Writing, and Math**.

Communication

There are a few ways that we will be able to communicate with each other. Sending an email to me jtrogia@cps.edu, calling the office at 773-535-2640. (please note that I will not be able to talk while students are in the classroom. You can leave a message with the office and I will return the call as soon as possible).

Attendance

Being at school every day is extremely important to your child's success and quality of education. It is also important that your child arrives at school on time. They miss crucial academic instruction and important social opportunities in the classroom when they are absent or arrive tardy. We understand that illness happens. Illness such as strep, fever, vomiting, ear infections etc. are valid reasons for a school absence.

Lunch and Recess

10:15-11:00

We will eat lunch in the cafeteria and enjoy outdoor recess daily (weather permitting).
