

Dear Parents and Guardians,

Happy Autumn and happy second Quarter of school. This is just a letter to let you know what we will be doing in advisory this quarter.

We will continue to use the Choose Love for Schools Program:

The Choose Love for Schools Program is the most comprehensive curriculum that supports, nurtures, and fosters the whole child. Students will learn skills and tools they will use throughout their lives to be honest, trustworthy, caring and compassionate, self-disciplined, intellectually curious, fair, and respectful. Students learn how to thoughtfully respond by choosing love. The program's foundation is a formula: Courage + Gratitude + Forgiveness + Compassion in Action = Choosing Love. We use courage daily to choose love over fear. Practicing gratitude helps us focus on what we have. Forgiveness is the key to healthy relationships and compassion in action helps us connect with and help others. We are just finishing up our vision boards and the kids are loving it. Check out their website at www.chooselove.org.

Mr. Murphy comes into advisory class once a week and works with us using the Success bound program (setting goals for the future) and NAVIANCE.

The students have Mondays to work on IXL and on Fridays we go to the lab for typing club.

Sincerely and gratefully,

Rita Rodriguez
