Cheers to 60 YEARS!!!!

Cassell Fine Art School is celebrating 60 years of excellence! In just the last few years, we continue to demonstrate that excellence through our talented students' success as noted in our improved student growth and attainment on the NWEA, improved school attendance, the continuation of our wonderful fine and performing arts program and much much more!

Throughout the year, we want to celebrate this milestone anniversary with many activities and fundraisers to celebrate and support our school.

We have many items in planning along with our partnership with the fabulous Cassell PTA! All major fundraising for the year will have the primary intent of replacing the student computer lab.

To start our celebrating of 60 years, our PTA will sell 60th Year Spirit Wear T-Shirts & Sweatshirts. Keep an eye out next week for the order forms.

In the near future, also in collaboration with our PTA, we will be selling engraved bricks as a fundraiser. The bricks will be used either under our anticipated new shade shelter or within our new Cassell Garden. Location still to be determined. We are currently looking for Cassell Parents, Family or Friends who are knowledgeable and willing to donate their time to install the bricks at the conclusion of the fundraiser. If interested in volunteering, please email Dr. Scanlan @ emscanlan@cps.edu.

We look forward to an exciting 60th year!

Will you shine bright and be an **ATTENDANCE STAR?**

Attendance continues to be priority this school year! Our school rating and each students' long term success is hinged on having great attendance! All students should have 95% or better attendance for the school year.

September Classroom Challenge: Classrooms with 98% or better attendance for September will earn a pizza lunch!

How is your class doing? There is still time to meet the challenge!
