Welcome to the 2019-2020 School Year

Cassell Families-

We are excited to begin a new school year! The 2019-2020 school year is the **60th Anniversary** of Cassell School! We look forward to many fun activities/events to help celebrate the anniversary! During our 60th year, we welcome new staff members: Mr. Panozzo - PE/Health; Mrs. Walsh- Special Education; Mrs. Snyder-Special Education; Mrs. Brennan- Kindergarten and Mrs. Nolan- Special Education Support. Please help welcome them to our school!

As we embark on a new year, please also take note of the work that has been completed to our campus during the 2nd and final year of construction. We welcome the year in with all new windows and shades in our primary wing, new heating and cooling throughout the entire main building and custom built cabinetry in the jr. high wing. We are very pleased with the work and attention our school was given by facilities and capital improvement.

Please remember that if you need clarification on school related questions or concerns, the best sources of information is our official school website or contacts. Please refer to our school website at cassell.cps.edu. If you have school specific questions, please email your child's teacher. If you have a larger school question, please contact Mrs. Pienta, assistant principal, at jaschwarz@cps.edu or Dr. Scanlan, principal, at emscanlan@cps.edu. All staff emails are located on our website. Emails are typically answered within 24-48 hours of receipt. The PTA Facebook page is not the source for all school information. It serves information on the PTA and CAA.

Dr. Scanlan & Mrs. Pienta

Will you shine bright and be an **ATTENDANCE STAR?**

Attendance continues to be priority this school year! Our school rating and each students' long term success is hinged on having great attendance! All students should have 95% or better attendance for the school year.

In 2018-2019, we did a GREAT job on improving our overall attendance! It is anticipated that CPS will report our attendance for last school year as **95.3%!!!!** That is the highest overall attendance we have seen in years and it will help support our school rating! Please continue prioritizing being at school every day unless sick. Let's see if we can beat 95.3 in 2019-2020!

September Classroom Challenge:
Classrooms with 98% or better attendance for September will earn a pizza lunch!

8th Grade MANDATORY Parent & Student Meeting

Please join us for an informational session about 8th grade expectations for the new school year. Also, information for high school application process and graduation will be shared.

**Thursday, September 26th
@ 5:30pm**

Student Spotlight...

Students were welcomed back to a new year with a **RED CARPET** Welcome!
