### **EVERYONE CAN PARTICIPATE!**

St. Baldrick's is not just for boys and it's not just for students - teachers, siblings, parents, grandparents, etc. are ALL welcome and encouraged to participate.

### **A LITTLE COMPETITION ANYONE?**

This year we will be having friendly homeroom competitions - the homeroom that raises the most money will win a prize! When signing up, look for your homeroom & join the team. If your homeroom is not there, please consider creating your homeroom team - you will be the Team Captain!

And, the top 3 Cassell STUDENTS who raise the most money will win a gift card!

*Competition Rules: ONLY students (and their teachers) can sign up under their homeroom team.*

*Non students/relatives can sign up under the event as single participants,  
or they can create a team of their own.*

### **NOT UP FOR SHAVING?**

No worries! If your child is not up for shaving, they can still participate & raise funds to help their homeroom win. They can either sign up as a VOLUNTEER to raise money **OR** girls can DONATE their LOCKS and raise money that way! Ask me for details on that.

### **VOLUNTEERS NEEDED!**

**We are looking for volunteers for the day of the event. If you're interested, please feel free to sign up.**
